Management Discussion and Analysis Report

This section of Annual Report has been included in adherence to the spirit enunciated in the code of Corporate Governance approved by the Securities and Exchange Board of India. Though, utmost care has been taken to ensure that the opinions expressed by the Management herein contain its perceptions on most of the important trends having a material impact on the Company's operations, no representation is made that the following presents an exhaustive coverage on and of all issues related to the same. Further, the discussion following herein reflects the perceptions on major issues as on date and the opinions expressed here are subject to change without notice. The Company undertakes no obligation to publicly update or revise any of the opinions or statements expressed in this report, consequent to new information, future event, or otherwise.

1) Industry Structure and Developments

In 2022, Food & Agriculture Organization ("FAO") of United Nations, realizing the prevalence of moderate raising food insecurity exacerbated by COVID-19, has identified 17 Sustainable Development Goals (SDGs) and their related targets and indicators, central to the achievement of inclusive, sustainable economic growth that encompasses environmental, and economic and social concerns. "The Sustainable Development Goals and Fisheries and Aquaculture" play a significant role in mitigating the global food shortage

The Fisheries & Aquaculture Sector are increasingly recognized for their essential contribution to global food security and nutrition in the 21st Century. Further, expansion of this contribution requires the acceleration of transformative changes in policy, management, innovation and investment to achieve sustainable and equitable global Fisheries and Aquaculture.

The Shrimp Feed consumption in India decreased to 11 Lakhs MTs in Financial year 2022-23 as compared to 12 Lakhs MTs in Financial year 2022. The forecast is that the consumption would further decrease by about 10%-15% in Financial year 2023-24.

Global shipbuilding market is valued at more than \$200 Bn comprising Naval ships, Commercial ships and recreational vessels. The Military ship market is poised to be a \$907 Bn worth cumulative industry by 2027 with demand driven primarily by Asia Pacific, eastern Europe and sub-Saharan African countries. The global naval shipbuilding market is being driven by international events and developments such as growing tensions in the Asia-Pacific region that have already resulted in an increased emphasis on naval modernization programs and a resurgence of submarine inventory proliferation by countries in the region as well as NATO and the United States. Market growth is expected, also given the need to replace older vessels in the naval fleet of major economies and the increase in the level of sophistication in combat technology. The global naval shipbuilding market would peak during the first half of this decade, driven by demand for both surface combatants and submarines. Globally, the average age of warships is as high as twenty-five (25) years and around 180 procurement programs are under execution in various countries .

2) Opportunities and Threats -

The global seafood market has been witnessing a continuous uptick in recent years riding on recognition of its benefits to health. The growing awareness of the health benefits of seafood,

with its nutritional and protein content, presents a favorable environment for increased consumption.

The aqua culture activity is dependent on climatic conditions prevailing during season to season, which is unpredictable. Natural calamities like floods, cyclones, during the culture season can have serious impact on the prospects of successful culture. In spite of technical advancement and development of Specific Pathogen Free (SPF) seed, the possibilities of the shrimps getting affected by virus and diseases cannot be ruled out.

So far as Shipyard activity is concerned Acquisition plan of Indian Navy and Indian Coast Guard aimed at significant Expansion of fleet size . Competition from Private and Public Shipyards is major threat to shipyard activity

3) Segment-wise or product-wise performance -

4) **Outlook** - Threat from the virus is major concern hence we are going ahead slowly with aquaculture operations. We are actively scouting new business for shipyard activities

5) **Risks and concerns** - Change in government policies, COVID Pandemic and rising labour cost can have adverse effect the business of the company.

- 6) **Internal control systems and their adequacy** - The Company's Internal Financial Controls encompass policies and procedures adopted by the Board for ensuring the orderly and efficient conduct of business, including adherence to its policies, safeguarding of its assets, prevention and detection of frauds and errors, the accuracy and completeness of accounting records and the timely preparation of reliable financial information. Appropriate review and control mechanisms are built in place to ensure that such control systems are adequate and are operating effectively.

The systems/frameworks include proper delegation of authority, operating philosophies, policies and procedures, effective IT systems aligned to business requirements, an Internal Audit framework, a comprehensive Code of Conduct & Business Ethics framework, a Risk Management framework and adequate segregation of duties to ensure an acceptable level of risk. Documented Standard Operating Procedures are in place for all business processes. Key controls are tested to assure that these are operating effectively.

- 7) **Discussion on financial performance with respect to operational performance** -During the year under review (2022-23) the company has earned Total Income of Rs. 97.46 Lakhs as against Rs. 212.06 Lakhs in previous year. Further Company has incurred net loss of Rs. 103.04 as against loss of Rs. 100.61 Lakhs in previous year. In view of the no orders in maritime infrastructure no sales has been made by Maritime Infrastructure Division.

So far as aquaculture business is concerned Company has revamped 12 Numbers of ponds, deepen water channel, purchased a 250kva electricity connection, built pond gates, done new cabling and electric panels, labour rooms and purchased capital equipment like aerators, and pumps. However presently we are facing problem of virus infection thereby the we are going slowly with the production of aquaculture which led to lower turnover

- 8) **Developments in Human Resources / Industrial relations** - Aquaculture and shipyard business needs qualified and trained staff for these operations. In this direction, the Company imparts expert training in the respective field and develops Human Resource capabilities. During the year under review Company has not hired new employees. As on 31.03.2023 Company has 6 employees. Once operations begin adequate manpower will be employed.

- 9) Details of significant changes (i.e. change of 25% or more as compared to the immediately previous financial year) in key financial ratios, along with detailed explanations, therefore, including:

Sr no.	Particulars	2021 -22	2021 -22	Explanation
i.	Debtors Turnover	40.95	0.61	Company was inoperative since last several years and restarted its activities 2019-20. Further there are no orders for shipyard business. Threat of infection led to decrease in turnover of aquaculture activity. These are main reason for significant changes in financial ratios
ii.	Inventory Turnover	4.58	3.98	
iii.	Interest Coverage Ratio	-0.64	-0.50	
iv.	Current Ratio	0.84	1.82	
v.	Debt Equity Ratio	-6.56	-20.88	
i.	Operating Profit Margin	-37%	-17%	
ii.	Net Profit Margin	-110%	-48%	

- 10) Details of any change in Return on Net Worth as compared to the immediately previous financial year along with a detailed explanation thereof : **In view of the losses there has been no returns on net worth**
- 11) Statements in this Management Discussion and Analysis describing the Company's objectives, projections, estimates and expectations may be forward looking statements' within the meaning of applicable laws and regulations. There is no certainty that these forward looking statements will be realized, although care has been taken in making these assumptions. There are no obligation to publicly update any forward looking statements, whether as a result of new information, future events or otherwise.

INDEPENDENT AUDITOR'S REPORT

To the Members of
DATIWARE MARITIME INFRA LTD

Opinion

- a) We have audited the accompanying Standalone Financial Statements of **DATIWARE MARITIME INFRA LTD** ('the Company') which comprise the standalone Balance Sheet as at 31st March, 2023, the standalone Statement of Profit and Loss, the Statement of Changes in Equity and the Statement of Cash Flows for the year ended on that date and notes to the financial statements, including a summary of significant accounting policies and other explanatory information (herein after referred to as "financial statements").
- b) In our opinion and to the best of our information and according to the explanations given to us, the aforesaid the financial statements give the information required by the Companies Act, 2013 ("the Act") in the manner so required and give a true and fair view in conformity with the Accounting Standards prescribed under Section 133 of the Act read with Companies (Accounts) Rules, 2014 as amended ("Indian Accounting Standards") and other accounting principles generally accepted in India, of the state of affairs of the Company as at 31st March 2023, and Loss and other comprehensive income and its cash flows for the year ended on that date.

Basis for Opinion

We conducted our audit of the Standalone Financial Statements in accordance with the Standards on Auditing (SAs) specified under section 143(10) of the Companies Act, 2013. Our responsibilities under those Standards are further described in the *Auditor's Responsibilities for the Audit of the Standalone Financial Statements* section of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India (ICAI) together with the ethical requirements that are relevant to our audit of the Standalone Financial Statements under the provisions of the Companies Act, 2013 and the Rules made thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the ICAI's Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion on the financial statements.

Information Other than the Standalone Financial Statements and Auditor's Report Thereon

- a) The Company's Management and Board of Directors is responsible for the preparation of the other information. The other information comprises the information included in the Management Discussion and Analysis, Board's Report including Annexures to Board's Report, Business Responsibility Report and Shareholder's Information, but does not include the Standalone Financial Statements and our auditor's report thereon. Our opinion on the Standalone Financial Statements does not cover the other information and we do not express any form of assurance conclusion thereon.
- b) In connection with our audit of the Standalone Financial Statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the Standalone Financial Statements or our knowledge obtained during the course of our audit or otherwise appears to be materially misstated. If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

Management's Responsibility for the Standalone Financial Statements

- a) The Company's Board of Directors is responsible for the matters stated in section 134(5) of the Companies Act, 2013 ("the Act") with respect to the preparation of these Standalone Financial Statements that give a true and fair view of the financial position, financial performance, (changes in equity) and cash flows of the Company in accordance with the Ind AS and other accounting principles generally accepted in India, including the accounting standards specified under section 133 of the Act. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the Standalone Financial Statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.
- b) In preparing the Standalone Financial Statements, management is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so. Those Board of Directors are responsible for overseeing the Company's financial reporting process.

Auditor's Responsibility for the Audit of the Standalone Financial Statements

- A. Our objectives are to obtain reasonable assurance about whether these Standalone Financial Statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these Standalone Financial Statements.
- B. As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:
 - a) Identify and assess the risks of material misstatement of the Standalone Financial Statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
 - b) Obtain an understanding of internal financial controls relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Companies Act, 2013, we are also responsible for expressing our opinion on whether the Company has adequate internal financial controls system in place and the operating effectiveness of such controls.
 - c) Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.

- d) Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the Standalone Financial Statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.
 - e) Evaluate the overall presentation, structure and content of the Standalone Financial Statements, including the disclosures, and whether the Standalone Financial Statements represent the underlying transactions and events in a manner that achieves fair presentation.
 - f) Materiality is the magnitude of misstatements in the Standalone Financial Statements that, individually or in aggregate, makes it probable that the economic decisions of a reasonably knowledgeable user of the Standalone Financial Statements may be influenced. We consider quantitative materiality and qualitative factors in (i) planning the scope of our audit work and in evaluating the results of our work; and (ii) to evaluate the effect of any identified misstatements in the Standalone Financial Statements.
- C. We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.
- D. We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.
- E. From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the Standalone Financial Statements of the current period and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

Report on Other Legal and Regulatory Requirements

1. A statement on the matters specified in paragraphs 3 and 4 of the Companies (Auditor's Report) Order, 2020 ("the Order") issued by the Central Government in terms of Section 143(11) of the Act, we give in "**Annexure A**" a statement on the matters specified in paragraphs 3 and 4 of the Order.
2. As required by section 143 (3) of the Act, we report that:
 - a) We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit.
 - b) In our opinion, proper books of account as required by law have been kept by the Company so far as it appears from our examination of those books.

- c) The balance Sheet, the statement of profit and loss including the statement of changes in equity and the statement of cash flows dealt with by this Report are in agreement with the books of account.
 - d) In our opinion, the aforesaid Standalone Financial Statements comply with the Accounting Standards specified under Section 133 of the Act, read with Rule 7 of the Companies (Accounts) Rules, 2014.
 - e) On the basis of the written representations received from the directors as on 31st March, 2023, taken on record by the Board of Directors, none of the directors is disqualified as on 31st March, 2023, from being appointed as a director in terms of Section 164(2) of the Act.
 - f) With respect to the adequacy of the internal financial controls over financial reporting of the Company and the operating effectiveness of such controls, refer to our separate report in "**Annexure B**". Our report expresses an unmodified opinion on the adequacy and operating effectiveness of the Company's internal financial controls over financial reporting.
3. With respect to the other matters to be included in the Auditor's Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014, as amended, in our opinion and to the best of our information and according to the explanations given to us:
- a) The Company does not have any pending litigations which would impact its financial position.
 - b) The Company did not have any long-term contracts including derivative contracts for which there were any material foreseeable losses.
 - c) There were no amounts which were required to be transferred to the Investor Education and Protection Fund by the Company.
 - d) The management has represented that, to the best of its knowledge and belief,
 - i) No funds have been advanced or loaned or invested (either from borrowed funds or share premium or any other sources or kind of funds) by the company to or in any other person(s) or entity(ies), including foreign entities ("Intermediaries"), with the understanding, whether recorded in writing or otherwise, that the Intermediary shall, whether, directly or indirectly lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the company ("Ultimate Beneficiaries") or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries. T
 - ii) The management has represented that, to the best of its knowledge and belief, no funds have been received by the company from any person(s) or entity(ies), including foreign entities ("Funding Parties"), with the understanding, whether recorded in writing or otherwise, that the company shall, whether, directly or indirectly lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Funding party ("Ultimate Beneficiaries") or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries.
 - iii) Based on audit procedures, nothing has come to our notice that has caused us to believe that the representations under sub-clause (a) and (b) contain any material misstatement.
 - e) Requirement of mandatory audit trail in company accounting software is postponed to financial years commencing on or after the 1st April, 2023 specified in notification No. F. No.1/19/2013-CL-V Part III dated 1st April 2021 read along with notification No. G.S.R. 205(E) dated 24th March, 2021 &

G.S.R.235(E) dated 31st March ,2022 issued by the Ministry of Corporate Affairs. Accordingly, reporting for the same is not applicable.

- f) The Company has neither declared nor paid dividend during the year.

"ANNEXURE A" TO THE INDEPENDENT AUDITORS' REPORT

Referred to in paragraph 1 under the heading 'Report on Other Legal & Regulatory Requirement' of our report of even date to the financial statements of the Company for the year ended March 31, 2022:

On the basis of the information and explanation given to us during the course of our audit, we report that:

1) (a) (A) The Company has maintained proper records showing full particulars, including quantitative details and situation of Property, Plant & equipment. Aggregate original cost, depreciation to date as per the register agrees with General Ledger Balances in respect of each class of assets.

(B) The Company has maintained proper records showing full particulars of intangible assets. Aggregate original cost, depreciation to date as per the register agrees with General Ledger Balance.

(b) The Property, Plant & Equipment have been physically verified by the management in accordance with their physical verification program, which in our opinion, is reasonable having regard to the size of the company and nature of its business. The discrepancies noticed during such verification were not material. We have not physically verified any items from PPE register.

(c) According to the information and explanations given to us, the records examined by us and based on the examination of the record, we report that, the title deeds, comprising all the immovable properties of land and buildings which are freehold, are held in the name of the Company as at the Balance Sheet date. In respect of immovable properties that have been taken on lease, the lease agreements are in the name of the Company, where the Company is the lessee in the agreement.

(d) The company has not revalued its Property, Plant and Equipment (including Right of Use assets) or intangible assets or both during the year. Accordingly, Clause 3(i) (d) of the Order regarding Revaluation of PPE and intangible assets is not applicable.

(e) According to the information, explanations given and represented to us by the management of company, no proceedings have been initiated or are pending against the company for holding any benami property under the Benami Transactions(Prohibition) Act, 1988 (45 of 1988) and rules made thereunder.

2) (a) The Management has at reasonable intervals conducted physical verification of inventory. In our opinion and according to the information and explanations given to us, the procedures of physical verification of stock followed by the Management are reasonable and adequate in relation to the size of the Company and the nature of its business. In our opinion and according to the information and explanations given to us, the Company is maintaining proper records of inventory. The discrepancies noticed on verification between the physical stocks and the book records were properly dealt in the books of accounts.

(b) During any point of time of the year, the Company has not been sanctioned working capital limits in excess of five crore rupees, in aggregate from banks or financial institutions, hence the provisions of clause 3 (ii) (b) of the Order are not applicable to the Company and hence not commented upon.

3) According to the information and explanation given to us and based on our examination of the records of the company, the Company has not granted any loans, secured or unsecured to companies, firms, Limited Liability partnerships or other parties covered in the Register maintained under section 189 of the Act. Accordingly, the provisions of clause 3 (iii) (a) to (f) of the Order are not applicable to the Company and hence not commented upon.

4) According to the information and explanation given to us and based on our examination of the records of the company, The Company has not advanced any loan or made any investments as referred in Section 185 &

Section 186 respectively of the Companies Act 2013, thus the provisions of clause 3 (iv) (a) & (b) of the order are not applicable and hence not commented upon.

5) According to the information and explanation given to us and based on our examination of the records of the company, The Company has not accepted any deposits from the public and hence the directives issued by the Reserve Bank of India and the provisions of Sections 73 to 76 or any other relevant provisions of the Act and the Companies (Acceptance of Deposit) Rules, 2015 with regard to the deposits accepted from the public are not applicable. Thus the provisions of clause 3 (v) (a) & (b) of the order are not applicable and hence not commented upon.

6) As informed to us, the maintenance of Cost Records has not been specified by the Central Government under sub-section (1) of Section 148 of the Act, in respect of the activities carried on by the company.

7) (a) The Company has generally been regular in depositing undisputed dues, including, Income tax, GST, Profession Tax and other material statutory dues applicable to it with the appropriate authorities; Further There were no undisputed amounts payable in respect of Income tax, GST, Profession Tax and other material statutory dues in arrears as at 31st March, 2023 for a period of more than six months from the date they became payable except as follows:

"ANNEXURE B" TO THE INDEPENDENT AUDITORS' REPORT

Report on the internal Financial Control over Financial Reporting under clause (i) of Sub Section 3 of section 143 of the companies Act, 2013 ("the Act")

(Referred to in paragraph 2(f) under the heading 'Report on Other Legal & Regulatory Requirement' of our report of even date to the financial statements of the Company for the year ended March 31, 2023)

We have audited the internal financial controls over financial reporting of **DATIWARE MARITIME INFRA LTD.** as of March 31, 2023 in conjunction with our audit of the financial statements of the Company for the year ended on that date.

Management's Responsibility for Internal Financial Controls

The Company's management is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India ("ICAI").

These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

Auditors' Responsibility

Our responsibility is to express an opinion on the Company's internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the "Guidance Note") and the Standards on Auditing, issued by ICAI and deemed to be prescribed under section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls, both applicable to an audit of Internal Financial Controls and, both issued by the ICAI. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the accuracy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgment including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls system over financial reporting.

Meaning of Internal Financial Controls over Financial Reporting

A company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control over financial reporting includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorizations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorized acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls Over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion, to the best of our information and according to the explanations given to us, the Company has, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at March 31, 2023, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India (ICAI).

DATIWARE MARITIME INFRA LTD.

Notes Forming Part of Financial Statement

Note No. 31: Significant Accounting Policies

1) Corporate Information:

Datiware Maritime Aquaculture Infra Limited (the Company) is a listed public company under "Companies Act, 2013" with its registered office at Pune.

2) Basis for Preparation of Financial statements and Significant Accounting Policies

2.1) Basis of Preparation and Measurement.:

(i)Basis of Preparation: These financial statements are prepared in accordance with Indian Accounting Standard (Ind AS), the provisions of the Companies Act, 2013 ('the Act') (to the extent notified) and guidelines issued by the Securities and Exchange Board of India (SEBI). The Ind AS are prescribed under Section 133 of the Act read with Rule 3 of the Companies (Indian Accounting Standards) Rules, 2015 and relevant amendment rules issued thereafter. Accounting policies have been consistently applied except where a newly issued accounting standard is initially adopted or a revision to an existing accounting standard requires a change in the accounting policy hitherto in use.

(ii)Basis Of Measurement: The financial statements have been prepared under the historical cost convention on the accrual basis except for the following financial instruments which are measured at fair values:

- certain financial assets and liabilities that are measured at fair value
- defined benefit plans - plan assets measured at fair value.

2.2) Measurement of Fair Values:

The Company's accounting policies and disclosures require financial instruments to be measured at fair values. The Company has an established control framework with respect to the measurement of fair values. The Company uses valuation techniques that are appropriate in the circumstances and for which sufficient data are available to measure fair value, maximizing the use of relevant observable inputs and minimizing the use of unobservable inputs.

The management regularly reviews significant unobservable inputs and valuation adjustments. If third party information, such as broker quotes or pricing services, is used to measure fair values, then the management assesses the evidence obtained from the third parties to support the conclusion that such valuations meet the requirements of Ind AS, including the level in the fair value hierarchy in which such valuations should be classified.

Fair values are categorised into different levels in a fair value hierarchy based on the inputs used in the valuation techniques as follows.

Level 1: quoted prices (unadjusted) in active markets for identical assets or liabilities.

Level 2: inputs other than quoted prices included in Level 1 that are observable for the asset or liability, either directly (i.e., as prices) or indirectly (i.e., derived from prices).

Level 3: inputs for the asset or liability that are not based on observable market data (unobservable inputs).

If the inputs used to measure the fair value of an asset or a liability fall into different levels of the fair value hierarchy, then the fair value measurement is categorised in its entirety in the same level of the fair value hierarchy as the lowest level input that is significant to the entire measurement. The Company recognises transfers between levels of the fair value hierarchy at the end of the reporting period during which the change has occurred.

2.3) Use of Estimates and Judgements :

The preparation of the financial statements in conformity with Ind AS requires the management to make estimates, judgments and assumptions. These estimates, judgments and assumptions affect the application of accounting policies and the reported amounts of assets and liabilities, the disclosures of contingent assets and liabilities at the date of the financial statements and reported amounts of revenues and expenses during the period. Accounting estimates could change from period to period. Actual results could differ from those estimates. Appropriate changes in estimates are made as management becomes aware of changes in circumstances surrounding the estimates. Changes in estimates are reflected in the financial statements in the period in which changes are made and, if material, their effects are disclosed in the notes to the financial statements. The areas involving critical estimates or judgements are;

- Useful life of fixed assets w.r.t. Ponds., refer note 2.4 (n)
-

2.4) Significant Accounting Policies

a.) Segment reporting: Operating segments are reported in a manner consistent with the internal reporting provided to the chief operating decision maker.

The Chairman and Managing Director (CMD) of the Company has been identified as the chief operating decision maker. Refer Note 31 for the segment information presented.

b.) Foreign Currency Translation: Not Applicable.

c)Revenue Recognition: The Company earns revenue primarily from sale of Shrimp Feed and Shipyard. Revenue is recognized as per IND AS-115 upon transfer of control of promised products or services to customers in an amount that reflects the consideration the Company expects to receive in exchange for those products or services. To recognize revenues, we apply the following five step approach:

- (1) identify the contract with a customer,
- (2) identify the performance obligations in the contract,
- (3) determine the transaction price,
- (4) allocate the transaction price to the performance obligations in the contract, and
- (5) recognize revenues when a performance obligation is satisfied.

At contract inception, the Company assesses its promise to transfer products or services to a customer to identify separate performance obligations. The Company applies judgement to determine whether each product or services promised to a customer are capable of being distinct, and are distinct in the context of the contract, if not, the promised product or services are combined and accounted as a single performance obligation. The Company allocates the arrangement consideration to separately identifiable performance obligation based on their relative stand-alone selling price or residual method. Stand-alone selling prices are determined based on sale prices for the components when it is regularly sold separately, in cases where the Company is unable to determine the stand-alone selling price, the Company uses third-party prices for similar deliverables or the company uses expected cost plus margin approach in estimating the stand-alone selling price. Revenue is recognised upon transfer of control of promised products or services to customers in an amount that reflects the consideration which the Company expects to receive in exchange for those products or services.

d)Government Grants: Not Applicable.

e) Income Tax: The income tax expense or credit for the period is the tax payable on the current period's taxable income based on the applicable income tax rate for each jurisdiction adjusted by changes in deferred tax assets and liabilities attributable to temporary differences and to unused tax losses.

The current income tax charge is calculated on the basis of the tax laws enacted or substantively enacted at the end of the reporting period in the countries where the Company operates and generates taxable income. Management periodically evaluates positions taken in tax returns with respect to situations in which applicable tax regulation is subject to interpretation. It establishes provisions, where appropriate, on the basis of amounts expected to be paid to the tax authorities.

Deferred income tax is provided in full, using the liability method, on temporary differences arising between the tax bases of assets and liabilities and their carrying amounts in the financial statements. Deferred income tax is also not accounted for if it arises from initial recognition of an asset or liability in a transaction other than a business combination that at the time of the transaction affects neither accounting profit nor taxable profit (tax loss).

Deferred income tax is determined using tax rates (and laws) that have been enacted or substantially enacted by the end of the reporting period and are expected to apply when the related deferred income tax asset is realised or the deferred income tax liability is settled.

Deferred tax assets are recognised for all deductible temporary differences and unused tax losses only if it is probable that future taxable amounts will be available to utilise those temporary differences and losses. Deferred tax assets and liabilities are offset when there is a legally enforceable right to offset current tax assets and liabilities and when the deferred tax balances relate to the same taxation authority. Current tax assets and tax liabilities are offset where the entity has a legally enforceable right to offset and intends either to settle on a net basis, or to realise the asset and settle the liability simultaneously. Current and deferred tax is recognised in Statement of Profit and Loss, except to the extent that it relates to items recognised in other comprehensive income or directly in equity. In this case, the tax is also recognised in other comprehensive income or directly in equity, respectively.

f)Leases-IND AS 116: As a Lessee - The Company's lease asset classes primarily consist of leases for land. The Company assesses whether a contract contains a lease, at inception of a contract. A contract is, or contains, a lease if the contract conveys the right to control the use of an identified asset for a period of time in exchange for consideration. To assess whether a contract conveys the right to control the use of an identified asset, the Company assesses whether:

- (i) the contract involves the use of an identified asset
- (ii) the Company has substantially all of the economic benefits from use of the asset through the period of the lease and
- (iii) the Company has the right to direct the use of the asset.

g)Impairment of Assets: Intangible assets which have definite useful life are subject to amortization. Intangible assets amortised over useful life as per rate prescribed in Schedule II of Companies Act 2013.

h)Cash and Cash Equivalent: Cash and cash equivalents in the balance sheet includes cash at bank and cash on hand. Bank overdrafts are shown within other Financial Liability in current liabilities in the balance sheet, considered as short term borrowing in cash flow.

i)Trade Receivables: Trade receivables are recognised initially at fair value.

j) Inventories: Inventories are valued at lower of cost and net realizable value. Cost of raw materials comprise of cost of purchase. Cost of work-in-progress and finished goods comprises direct materials and labour. Cost

of inventories also include all other costs incurred in bringing the inventories to their present location and condition.

Net realisable value is the estimated selling price in the ordinary course of business less the estimated costs of completion and the estimated costs necessary to make the sale.

k) Investments and Other Financial Assets:

(i) Classification: The Company classifies its financial assets in the following measurement categories:

- those to be measured subsequently at fair value (either through other comprehensive income, or through profit or loss), and
- those measured at amortised cost.

The classification depends on the entity's business model for managing the financial assets and the contractual terms of the cash flows. For assets measured at fair value, gains and losses will either be recorded in profit or loss or other comprehensive income.

(ii) Measurement: At initial recognition, the Company measures a financial asset at its fair value plus, in the case of a financial asset not at fair value through profit or loss, transaction costs that are directly attributable to the acquisition of the financial asset. Transaction costs of financial assets carried at fair value through profit or loss are expensed in Statement of Profit and Loss. Company did not invest in Debt and equity instrument therefore no measurement required. In case of other Financial Assets please refer note no.28.

(iii) Impairment of Financial Assets : Not applicable as no investment in Debt and equity instrument.

(iv) Derecognition of Financial Assets: A financial asset is derecognised only when

- the Company has transferred the rights to receive cash flows from the financial asset
- or
- retains the contractual rights to receive the cash flows of the financial asset, but assumes a contractual obligation to pay the cash flows to one or more recipients.

Where the entity has transferred an asset, the Company evaluates whether it has transferred substantially all risks and rewards of ownership of the financial asset. In such cases, the financial asset is derecognised.

Where the entity has not transferred substantially all risks and rewards of ownership of the financial asset, the financial asset is not derecognised.

Where the entity has neither transferred a financial asset nor retains substantially all risks and rewards of ownership of the financial asset, the financial asset is derecognised if the Company has not retained control of the financial asset. Where the Company retains control of the financial asset, the asset is continued to be recognised to the extent of continuing involvement in the financial asset.

(v) Income Recognition: Not Applicable as no investment in Debt and Equity Instrument.

l) . Derivatives: No Investment in derivatives.

m). Offsetting Financial Instruments: Financial assets and liabilities are offset and the net amount is reported in the balance sheet where there is a legally enforceable right to offset the recognised amounts and there is an intention to settle on a net basis or realise the asset and settle the liability simultaneously. The legally enforceable right must not be contingent on future events and must be enforceable in the normal course of business and in the event of default, insolvency or bankruptcy of the Company or the counterparty.

n). Property, Plant And Equipment: Freehold land is carried at historical cost. All other items of property, plant and equipment are stated at historical cost less depreciation. Historical cost includes expenditure that is directly attributable to the acquisition of the items.

Subsequent costs are included in the asset's carrying amount or recognised as a separate asset, as appropriate, only when it is probable that future economic benefits associated with the item will flow to the

Company and the cost of the item can be measured reliably. The carrying amount of any component accounted for as a separate asset is derecognised when replaced.

All other repairs and maintenance are charged to profit or loss during the reporting period in which they are incurred.

Depreciation Methods, Estimated Useful Lives and Residual Value

Depreciation on tangible assets is calculated on a straight-line basis so as to expense the cost less residual value over the estimated useful life prescribed and in the manner laid down under Schedule II to the Companies Act, 2013.

In Case of Ponds which shown under block Building, the useful life have been determine based on technical evaluation done by management's expert which is lower than those specified by Schedule II to the Companies Act 2013.

The estimated useful lives and residual values are reviewed at the end of each reporting period, with the effect of any change in estimate accounted for on a prospective basis.

Depreciation for assets purchased / sold during the period is proportionately charged.

An asset's carrying amount is written down immediately to its recoverable amount if the asset's carrying amount is greater than its estimated recoverable amount. Gains or losses arising from disposal of fixed assets which are carried at cost are recognised in the Statement of Profit and Loss.

o). Intangible Assets: Intangible assets that are acquired are recognized at cost initially and carried at cost less accumulated amortization and accumulated impairment loss, if any.

(i) Computer Software: Computer software are stated at cost, less accumulated amortisation and impairment losses, if any. Cost comprises the purchase price and any attributable cost of bringing the asset to its working condition for its intended use.

(ii) Amortisation methods and periods: Intangible assets with finite useful live are amortized over their respective individual estimated useful lives (6 years in case of computer softwares) on a straight line basis.

p). Trade and Other Payables: These amounts represent liabilities for goods and services provided to the Company prior to the year end which are unpaid. The amounts are unsecured and are usually paid as per mutually agreed terms. Trade and other payables are presented as current liabilities unless payment is not due within 12 months after the reporting period.

q). Borrowings: Borrowings are initially recognised at fair value, net of transaction costs incurred. Borrowings are subsequently measured at amortised cost. Any difference between the proceeds (net of transaction costs) and the redemption amount is recognised in profit or loss over the period of the borrowings using the effective interest method.

Fees paid on the establishment of loan facilities are recognised as transaction costs of the loan to the extent that it is probable that some or all of the facility will be drawn down. In this case, the fee is deferred until the draw down occurs. To the extent there is no evidence that it is probable that some or all of the facility will be drawn down, the fee is capitalised as a prepayment for liquidity services and amortised over the period of the facility to which it relates.

Borrowings are removed from the balance sheet when the obligation specified in the contract is discharged, cancelled or expired. The difference between the carrying amount of a financial liability that has been extinguished or transferred to another party and the consideration paid, including any non-cash assets transferred or liabilities assumed, is recognised in profit or loss as other gains/(losses).

Borrowings are classified as current liabilities unless the Company has an unconditional right to defer settlement of the liability for at least 12 months after the reporting period. Where there is a breach of a material provision of a long-term loan arrangement on or before the end of the reporting period with the effect that the liability becomes payable on demand on the reporting date, the entity does not classify the liability as current, if the lender agreed, after the reporting period and before the approval of the financial statements for issue, not to demand payment as a consequence of the breach.

r). Borrowing Costs: General and specific borrowing costs that are directly attributable to the acquisition, construction or production of a qualifying asset are capitalised during the period of time that is required to complete and prepare the asset for its intended use or sale. Qualifying assets are assets that necessarily take a substantial period of time to get ready for their intended use or sale. Investment income earned on the temporary investment of specific borrowings pending their expenditure on qualifying assets is deducted from the borrowing costs eligible for capitalisation.

Other borrowing costs are expensed in the period in which they are incurred.

s). Provisions: Provisions are recognised when the Company has a present legal or constructive obligation as a result of past events, it is probable that an outflow of resources will be required to settle the obligation and the amount can be reliably estimated. Provisions are not recognised for future operating losses. Where there are a number of similar obligations, the likelihood that an outflow will be required in settlement is determined by considering the class of obligations as a whole. A provision is recognized even if the likelihood of an outflow with respect to any one item included in the same class of obligations may be small. Provisions are measured at the present value of management's best estimate of the expenditure required to settle the present obligation at the end of the reporting period. The increase in the provisions due to the passage of time is recognized as interest expense.

t). Employee Benefit: Liabilities for wages and salaries that are expected to be settled wholly within 12 months after the end of the period in which the employees render the related service are recognised in respect of employees' services up to the end of the reporting period and are measured at the amounts expected to be paid when the liabilities are settled. The liabilities are presented as Provision for Salary and Wages in the balance sheet.

Post-employment benefits and sick leaves, earned leaves, gratuity benefit is not given to employees, therefore no such obligation and liability is recognized.

u). Equity: Equity shares are classified as equity. Incremental costs directly attributable to the issue of new shares are shown in equity as a deduction, net of tax, from the proceeds.

v). Dividends: Not declared as company does not have free reserve.

w). Earnings Per Share:

(i) Basic Earnings Per share: Basic earnings per share is calculated by dividing the profit attributable to owners of the Company by the weighted average number of equity shares outstanding during the financial year.

(ii) Diluted Earnings Per Share: Diluted earnings per share adjusts the figures used in the determination of basic earnings per share to take into account:

- the after income tax effect of interest and other financing costs associated with dilutive potential equity shares, and
- the weighted average number of additional equity shares that would have been outstanding assuming the conversion of all dilutive potential equity shares.
